Three things from today's meeting, plus I will forward the Gantt chart to you.

Lynch cyn – Jon Iverson will call me tomorrow with something or other. Maybe he has the well count explained. Still waiting for native files.

Lompoc – there will be an early review call, maybe a month from now.

Mt Poso, Dorsey – John Borkovich wants to have a meeting to discuss why this is not an amendment to the Mt. Poso AE. I am pretty sure we went over this a few years ago, but my notes are in the office. I don't recall the reason but we all agreed to do it separately. If there is a meeting I may ask you to join Shari. Thanks.

Michele, Can you check again? I saved the spreadsheet again & it should show updated prelim concurrence date. Thanks.

Hi Amit,

Just a quick note, since I double checked what was attached to the invitation – the AE spreadsheet has the March 2021 dates for prelim WB concurrence, although Janice did update, and they are on the Gantt chart –. Thanks!
